

Serious about wedding photography.

Hi, my name is Chris and I am a Teesside wedding photographer based in Yarm, Stockton on Tees.

Because you want your wedding photographs to look spontaneous and unique, images that evoke emotion; my photography skills deliver striking and dynamically produced wedding photographs, creatively processed and edited with quality assured.

With over 25 years of professional experience mastering the art of wedding photography and compositional skills, I create crafted photographs, true wedding photographs of your wedding day story.
